

ACADEMIC APPLICATION

Overview

The ACADEMIC NDSR licensing option is available to facilitate use of NDSR for teaching purposes. The ACADEMIC NDSR allows students to have hands-on experience with research-quality nutrient calculation software. This licensing option includes all NDSR features and reports with the exception of output file generation. A license for ACADEMIC NDSR is valid for one year. The ACADEMIC NDSR may be installed on a teaching lab network at no additional cost.

Support Services

Core support services provided include installation assistance, answers to your questions and consultation time with NDSR User Support Representatives.

Eligibility Criteria

The ACADEMIC NDSR licensing option is for teaching purposes only.

Application Process

Applicants should review the ACADEMIC NDSR End User Software License Agreement, complete the attached application form, and send to ndsrhelp@umn.edu so that eligibility for this licensing option may be determined. A response regarding approval will be provided within two weeks.
